

Remarks and Arguments

Claims 68, 70-86, and 88 are pending in this application. Claims 69 and 87 have been canceled without prejudice to or disclaimer of the subject matter contained therein. Claims 68, 70-72, 76, 77, and 82-86 have been amended. No new matter has been added.

Claim Objections

The Examiner objects to claims 68-88 because they refer to species not indicated as allowable. These claims have been amended to overcome the objection. Applicants reserve the right to pursue the canceled species in one or more divisional application(s). Reconsideration and withdrawal of the objection are respectfully requested.

RECONSIDERATION

It is believed that all claims of the present application are now in condition for allowance.

Reconsideration of this application is respectfully requested. If the Examiner believes that a teleconference would expedite prosecution of the present application, the Examiner is invited to call the Applicant's undersigned attorney at the Examiner's earliest convenience.

Any amendments or cancellation or submissions with respect to the claims herein is made without prejudice and is not an admission that said canceled or amended or otherwise affected subject matter is not patentable. Applicant reserves the right to pursue canceled or amended subject matter in one or more continuation, divisional or continuation-in-part applications.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 02-3038.

Respectfully submitted,

/Carol L. Cole/
